

Hello, I heard about Sinclair Broadcasting's decision to force their stations to play an anti-Kerry documentary. I don't believe that Sinclair should use partisan politics on the airwaves; it seems like a 90-minute free Bush ad.

I would like Sinclair to remove this program unless they will agree to also air, preferably around the same time period, a pro-Kerry movie as well, such as "Going Upriver: The Long War of John Kerry."

Thank you for your time.
